

Theme Park

It's amazing what you can achieve in just one day away from the classroom. A school trip to Alton Towers Resort will challenge your pupils, fill them with enthusiasm and let them experience the thrill of practical learning, first hand.

Travel with Freshfields and we will organize your entrance tickets and travel from as little as £680 for a class of 30 students off peak. See our special prices below.

Special Prices

Thrill Rides

The Theme Park has an awesome selection of BIG RIDES. New for 2010 - explore the unknown and experience the unexpected in search of what lies within ... Thirteen. Enter X-Sector for Oblivion and Submission. Explore Forbidden Valley for Nemesis, Air and Ripsaw or stop off for the unforgettable speed of Rita!

Laughs & Frights

Up for a bit of light hearted fun with friends and family? The rollercoasters at the Alton Towers Resort make for unforgettable experiences. From Sonic Spinball to the water-filled excitement of The Flume and Congo River Rapids there is so much fun to be had with laughs and fun frights at Alton Towers Resort's amusement rides.

Magic & Young Fun

Alton Towers Resort offers rides packed with fun for little kids. Feel safe and secure that there are loads of rides and activities to keep all ages happy, all day long you'll love Alton Towers Resort's rides in Cloud Cuckoo Land and Adventure land.
