## Learning zone

Discover the educational world of hats.

Special Activity Programme for National Curriculum Key Stage 1 and Key Stage 2.

Hat Works offer an exciting interactive learning environment that is complemented by our extensive handling collection and resources.

Our team of trained facilitators will provide a unique learning experience specifically designed to deliver aspects of the National Curriculum at Key Stage 1 and 2.

### Key stage 1 session

Head Start

**Touch it/Feel it** - children are encouraged to touch and feel various materials used in the hat making process.

**See it/ Hear it** – children experience the might of industrial machines.

**Make it /keep it** – children design and make their own piece of felt following a simple hands on process.

**Wear It** - Lots and lots of hats - fun, practical and symbolic - all waiting for children to try on and discover that they all have a purpose

### Key stage 2 session

Terrific Textiles and Block to Box

**Terrific Textiles** - discover how wool turns into felt .

**Block to Box** - the amazing process of making a hat.

**Get Ahead Get a Hat** - Create a hat in a day! Children will be given the opportunity to explore our fantastic gallery to seek inspiration from the hat designs housed in our extensive collection.

## Stockport Air Raid Shelters

### Educational Visits

What was it like for children in the Second World War?

This unique site excavated for World War II, will provide your group with a memorable visit that truly brings 'The Home Front' to life. Our approach is flexible and our sessions are designed to meet your needs.

The activities emphasize learning through a variety of 'first-hand' experiences. Our experienced learning facilitators will involve and engage your groups as you visit this labyrinth of tunnels.

# ✦✦✦✦✦✦✦✦ Bramall Hall ✦✦✦✦✦✦✦✦

## Education at Bramall Hall

The fine combination of Tudor and Victorian architecture and life is reflected in the programmes for schools at Bramall Hall. Sessions are available for Key Stage 1, 2 and 3, and can be adapted to the needs of GCSE and post-16 students. We also cater for Early Years Foundation groups, and all of our sessions can be adapted for pupils with Special Educational Needs.

## INSET Days

We can offer whole school or department INSET Days covering the sessions we offer at Bramall Hall, as well as literacy, history and drama/role play. This can be done in school or on site. We can also help you to prepare for taking a group to an historic site so that you are able to get the most out of a visit.

Bramall Hall is the holder of the prestigious Sandford Award for Heritage Education – a national award which recognises high quality provision for schools at museums and galleries.

## Sessions for Schools

Sessions are available for Key Stage 1, 2 and 3, and can be adapted to meet the needs of GCSE and post-16 groups. We also cater for Early Years Foundation Stage groups and for pupils with Special Educational Needs.
